To Whom It May Concern:

RE: Artisan Partners

We are pleased to provide this letter of recommendation for Artisan Partners and one of their company's principals, Geoff Azaroff.

Geoff has provided construction management and oversight to our organization over a period of more than 5 years. The responsibilities included varying degrees of involvement in renovation, new construction, project planning and design consulting. Geoff has provided extremely valuable insight to our staff and has been a very strong advocate in our dealings with our architects and general contractors. He is a solid professional that uses his experience very effectively and is very much a team player.

We would be happy to provide any additional information or answer any questions if necessary.

Sincerely,

Richard L. Vilaro
President
