June 25, 2014

**Artisan Partners Construction Services** will oversee the build-out of the new **Mama Rouge** restaurant at Washington Harbour in Georgetown.

**Mama Rouge**, a Southeast Asian Bistro concept, is replacing Bangkok Joe's, which has been located on the site since 2003. A September opening is slated for the new restaurant concept.

Artisan will oversee the complete redesign and renovation of the dining room and installation of all new kitchen equipment on behalf of owners Aulie Bunyarataphan and Mel Oursinsiri.

In a statement, Chef/Owner **Aulie Bunyarataphan** said, "We're committed to re-investing in our restaurants to ensure that we continually offer guests the best possible dining experience. By completely revamping the restaurant with a hip vibe and interior, new name and new menu, we hope to deliver the same exceptional experience which our customers have come to love and enjoy over the last decade. They deserve it!"
