

Artisan Partners to Oversee Major Renovation to Combine 1728 and 1730 Massachusetts Ave.

June 1, 2012

Artisan Partners Construction Services announced that it will provide construction management services for a major renovation of 1728 Massachusetts Ave. NW. The historic building is a four-story, 5,300-square-foot structure.

The project also involves joining 1728 with the adjacent 1730 Massachusetts Ave. NW. for a total of 13,000 square feet. The combined buildings will be used for the expansion of CCM US, LLC a real estate management firm, and its associated Flamboyant Foundation. Construction will commence this summer.

Artisan will be responsible for selecting the design team and coordinating the construction drawings, permitting, and oversight of work through completion. Prill Construction Group will serve as the project's general contractor and was responsible for the previous renovation of 1730 Mass. Ave. NW.

About Artisan Partners:

Founded in 2008, Artisan Partners (www.artisanpartners.us) provides construction management and owner representation services to a number of varied clients; including business owners, corporations, country clubs, developers, hotels, schools, religious institutions, and trade associations. From start to finish, Artisan Partners oversees projects through all phases of development, design, and construction.
