

Artisan Partners project to Double the Size of Olazzo Restaurant in Bethesda is completed

June 12, 2012

Artisan Partners Construction Services announced that it has completed the expansion of Olazzo restaurant in downtown Bethesda for Roberto and Riccardo Pietrobono. Prill Construction Group served as general contractor.

The project doubled the size of their original restaurant and it now occupies 7917 and 7921 Norfolk Ave. Olazzo also has a location in Silver Spring.

The buildout for the new space included an upgraded bar and lounge area featuring accustom wood and granite bar, banquets, large TV screens, and custom wine racks. New restroom facilities were also added. The expansion adds seating for 35 inside and 12 outside.

Artisan provided construction management services for the construction drawings, permitting, contract bidding, and oversight of work through completion.

About Artisan Partners:

Founded in 2008, Artisan Partners (www.artisanpartners.us) provides construction management and owner representation services to a number of varied clients; including business owners, corporations, country clubs, developers, hotels, schools, religious institutions, and trade associations. From start to finish, Artisan Partners oversees projects through all phases of development, design, and construction.
