

Artisan Partners Will Double in Size Olazzo Restaurant in Downtown Bethesda

March 9, 2012

Artisan Partners Construction Services announced that it will provide construction management services for the expansion of Olazzo restaurant in downtown Bethesda. Prill Construction Group will serve as general contractor.

The project will double the size of the current restaurant. Currently located at 7923 Norfolk Ave., the expanded restaurant now also will include 7921 Norfolk Ave.

The buildout for the new space will include an upgraded bar and lounge area featuring banquets and large TV screens. New restroom facilities will also be added.

Artisan is providing construction management services for the construction drawings, permitting, contract bidding, and oversight of work through completion.

“We are very pleased to have received this contract,” said Geoff Azaroff, Artisan Partners Principal. “Olazzo is our neighbor in Bethesda and we want to make sure that its facilities provide the finest and most comfortable dining in town.”

About Artisan Partners:

Founded in 2008, Artisan Partners (www.artisanpartners.us) provides construction management and owner representation services to a number of varied clients; including business owners, corporations, country clubs, developers, hotels, schools, religious institutions, and trade associations. From start to finish, Artisan Partners oversees projects through all phases of development, design, and construction.
